

Susan Gillis

Historian Susan Gillis has served as archivist and curator at the Boca Raton Historical Society since 2002. She has drawn upon her knowledge of the city's history and the historical society's photographic and image collections in the creation of this unique look at Boca Raton's most glamorous Boca Raton Hotel & Resort. She is the author of numerous books and we are excited to have her as our speaker on April 27th 2016 at Tropical Acres for the ASA Chapter meeting.
